NBA Recap

The NBA model went 5-4 overall yesterday, a day where nothing special really happened.

Money line predictions went a perfect 3-0, but over/under and spread predictions fell behind and went 1-2.

However, we did get another 3-star winner as the Suns defeated the Clippers by 14 points and covered the 7.5-point spread. The model was spot on with that game, getting every prediction correct.

Yesterday's chart is attached below.

Money Line Prediction	Over/Under Prediction	Spread Prediction
Celtics ML (-510)	OVER 229.5 (-110)	Hawks +10.5 (-115)
Cavaliers ML (-215)	OVER 214 (-110)	Knicks +5.5 (-110)
Suns ML (-330)	UNDER 225.5 (-110)	Suns -7.5 (-110)

NHL Recap

Yesterday was a very good day for the NHL model, ending the night with an overall record of 8-3-1.

However, there were a few disappointments throughout the night, Money line predictions were just 1-3 on the night, and yesterday's 3-star play of Devils ML was one of the three losers. New Jersey never stood a chance after the opening puck drop, going down 2-0 early on and eventually losing 5-1.

Yesterday's chart is attached below.

Money Line Prediction	Over/Under Prediction	Spread Prediction
Devils ML (-130)	OVER 6 (-115)	Rangers +1.5 (-235)
Maple Leafs ML (-160)	OVER 6 (-120)	Lightning +1.5 (-175)
Golden Knights ML (-155)	OVER 5.5 (-120)	Jets +1.5 (-210)
Kraken ML (+160)	UNDER 6.5 (-130)	Kraken +1.5 (-155)
